## P R O F I L E

I'm primarily a self-taught web developer based in Vancity, Canada. However, I also practice modeling and rigging with 3D visual effects software such as Maya in my free time. I LOVE playing video games and enjoying photography.

## E D U C A T I O N

### Industrial Cybersecurity

BCIT

2019-2020

### Master Degree in Construction Management

University of Najaf Abad

2015-2017

### Bachelor Degree in Civil Engineering

University of Khorasgan

2010-2014

## E X P E R I E N C E

### Chef Helper/ Waitress

2019-Present | Pasta Polo

It was an entirely new experience for me to work at a restaurant, including being more organized, having a stronger desire to work as a team and how to communicate effectively with customers

### Site Manager

2016-2019 | Karavaran Esfahan Inc

I learned how to plan things and organize activities as well as ensuring the plans meet budgets and timescales.

### HSE Expert

2015-2016 | Arman Structures Inc

Safety comes first! that's the most valuable lesson I learned with this job. Now, I know how to inspect workplaces to ensure employees respecting health and safety regulations.

## T E C H N I C A L   S K I L L S

### Computer Technician

I have a comprehensive understanding of computer systems and hardwares including installing or troubleshooting softwares and hardwares, Identifying system failures and fixing bugs.

### CCNA-LEVEL 1

In Industrial Cybersecurity program at BCIT collage I learned about Networking Fundamental, including Ethernet technologies, the TCP/IP protocol stack, IPv4 and IPv6 addressing, static and dynamic routing.

### Lighting & Livestreaming

I know about video, lighting and livestreaming tech.
